## ***Born for a Purpose***

by Vera Kasevich

This is the story of a young woman from the Ukraine. After a difficult and often heart-breaking childhood Vera and her husband Zhena, met the friend who would never desert them as many others had.

Jesus came into their hearts and lives in a real and amazing way.

They became the Pastors of the Hillsong Church in Kiev only five years after their conversion and their practical message has influenced many people not only in Ukraine but also internationally.

"Born for a Purpose" will take you through Vera's journey and you will be encouraged to hold on to Jesus through the difficult times.

You will find this book both challenging and encouraging. Lives that could have ended in disaster have become a blessing to many.
