

Book Review:

Real Lives, Real People

compiled and edited by Shirley Peart

This booklet tells of six Raglan people who have been touched and changed by God. They all are examples of what God can do with lives committed to Him. Like all of us they are on a journey and still make mistakes but are thankful for the forgiveness and healing they have received and will continue to receive as they walk with Him.

Each story is very different and very real.

The booklet is available from Surfside Christian Life Centre for a cost of \$10.
